## Short Description

---

Designers? nod to modernity may have different faces - a project that has given Ball hanging lamps a very modern character. Round Ball lamps look perfect in minimalist, industrial or modernist interiors - subdued colors and simplicity of form will also fit into Scandinavian and loft arrangements.

## Description

---

This light fitting was designed and produced in Europe with a focus on longevity rather than fleeting fads. We encourage our customers to do the same and invest in timeless, and versatile solutions that will seamlessly blend into any space, whether it's the kitchen or the bedroom, both now and in the future.

Having products manufactured in Europe ensures a high level of quality and attention to detail. European manufacturing standards are known for being some of the strictest in the world, which means that the lighting you buy from us is made with precision and care.
