Short Description

The Empoli collection was created in response to the wishes and dreams of customers looking for modern and compact lighting in their homes. The hanging lamps in this series combine exceptional elegance, minimalist design and functionality, which make them extremely popular with customers. Very slim design with beautifully crafted shades and discreet mounting are ideal for those looking for stylish lighting in a trendy dining room, kitchen or living room.

Description

This light fitting was designed and produced in Europe with a focus on longevity rather than fleeting fads. We encourage our customers to do the same and invest in timeless, and versatile solutions that will seamlessly blend into any space, whether it's the kitchen or the bedroom, both now and in the future.

Having products manufactured in Europe ensures a high level of quality and attention to detail. European manufacturing standards are known for being some of the strictest in the world, which means that the lighting you buy from us is made with precision and care.
