Short Description

Gaspare collection is a polished crystal-shaped steel shade. Suspended lamps in this series are a marvel of minimalism and artistic industrial design. The models are available in trendy colors, so everyone will find a perfect fit for their needs. Lightness, simplicity and exceptionally original design are the qualities that will be appreciated by lovers of minimalist style, loft style and bold glamorous arrangements.

Description

This light fitting was designed and produced in Europe with a focus on longevity rather than fleeting fads. We encourage our customers to do the same and invest in timeless, and versatile solutions that will seamlessly blend into any space, whether it's the kitchen or the bedroom, both now and in the future.

Having products manufactured in Europe ensures a high level of quality and attention to detail. European manufacturing standards are known for being some of the strictest in the world, which means that the lighting you buy from us is made with precision and care.
