

Wall Light 21cm

Product Images

Short Description

This wall light would make a fantastic addition to any contemporary home. The gorgeous half arched light fixture uses real crystals imparting sparkly light effect by capturing the natural daylight. The incorporation of interlocking polished chrome rings with crystal disc makes the light piece looks heavenly beautiful once illuminated. The light is fitted on the wall through a rectangular polished chrome finished wall bracket. It hides two SES type 40-watt bulbs for imparting glowing ray of light and also is accommodated with low energy, traditional or LED bulbs.
