Short Description

Wonderful retro 1970's style Single Pendant light fitting, well suited to higher ceilings or used to highlight specific areas such as dining tables, breakfast bars or coffee tables. Most Pendant fittings can either have the Cable adjusted or chain links removed so that the height can be adjusted to suit your ceiling.

This fitting has a retro 1970's feel which is extremely popular and has been growing over the last few years. Indeed its form can be seen influencing the contemporary designs collection
