Short Description

Mantra is a lighting company based in Valencia, Spain. Founded in the mid 2000 who aim to provide unique and high quality lights differing to those already on the market.

Mantra specialise in graceful streamlined designs that aim to radiate a unique personality in order to stand out from their contemporaries. Mantra lighting is a sure way to instantly inject elegance into a setting of your choosing. Their designs are sure to wow both you and your friends, adding both style and light, in fact the Mantra philosophy is *seinte la luz* which translates to feel the light.

Mantra works with a range of designers in order to produce lights with a distinctive appearance and character, from concept to realisation, each and every light has been carefully considered before being created.
