Short Description

Feel the breath of unique avant-garde in your interior with TULOS lamps. Their distinctive yet extremely subtle casing creates a unique atmosphere even during the day. These lamps will perfectly complement elegant arrangements, adding splendour to the decor of the interior. The TULOS collection offers variety and captivates you with its sophisticated style. In the collection, you will find both ceiling lamps and pendant lamps with 1 or 3 points of light suspended at different heights. Lighting designed this way guarantees a decorative effect in any interior.

Description

This light fitting was designed and produced in Europe with a focus on longevity rather than fleeting fads. We encourage our customers to do the same and invest in timeless, and versatile solutions that will seamlessly blend into any space, whether it's the kitchen or the bedroom, both now and in the future.

Having products manufactured in Europe ensures a high level of quality and attention to detail. European manufacturing standards are known for being some of the strictest in the world, which means that the lighting you buy from us is made with precision and care.
